

Организация международного научного сотрудничества
по опыту университета Ferrara (Италия)
посвященное ко Дню Республики Казахстан

Marco Greggì

Kokshetau, 24 October 2023

Italy and Kazakhstan

- More than 12% of Kazakhstan exports in 2019 (approx. \$7.25 billion) went to Italy - second only to China, and most of any other country in Europe, including Russia.
 - Source World Integrated Trade Solution. The World Bank.

The September 2023 Meeting

- common will to favour the de-carbonization processes, including renewable energies and green hydrogen.
- Mr. Nurtleu and Mr. Tajani expressed mutual interest in establishing forms of efficient, effective and timely cooperation, taking into account the Memorandum of Understanding between Kazakhstan and the European Union (UN) on a
 - Strategic partnership on sustainable raw materials, batteries, and renewable hydrogen value chain, signed in Sharm El-Sheikh in November 2022.

Why it Matters

- The statement confirmed the common will to promote economic and industrial collaboration initiatives, to facilitate direct investments and joint ventures between companies of both countries, as well as joint research projects and technological exchange, including through annual business forums between Kazakh and Italian companies, events, seminars, and workshop organized with the involvement of governmental agencies and the support of associations and entrepreneurial representative bodies.
- intention to improve business, cultural, human exchanges and ties, including by increasing efforts to facilitate the visa regime within the Schengen zone for citizens of Kazakhstan.

The Role of Ferrara

- Active in Kazakhstan since 2006 (Erasmus Mundus) programme;
- Three doctoral thesis discussed;
- Two doctoral thesis under supervision;
